### INTERVIEW QUESTIONS TO ASK

---

At your first interview, the interviewer may ask if you have any questions, you should always have some questions prepared as it demonstrates your interest in the position.

Prepare a minimum of five questions which include:

**Job specific questions** which will give you more information about the job and  
**Aspirational questions** which will give you more information about the culture and goals of the company.

#### JOB SPECIFIC QUESTIONS

1. Why has the position become available?
2. What are the main objectives and responsibilities of the position?
3. What are the measures used to judge how successful I am in the role?
4. Do you have a desired time frame for reaching objectives?
5. Where does this job fit into your overall company structure?
6. How many people work in this office/department?
7. How much travel is expected?
8. What is the typical working week?
9. Will I be required to work late?
10. What are the prospects for growth and advancement?

#### ASPIRATIONAL QUESTIONS

1. What's the best thing about working at your company?
2. What is the main thing the organisation expects from its employees?
3. How do you build good relationships within teams?
4. What is the turnover of staff like throughout the company?
5. Are there any plans for expansion?
6. How would you describe the company culture and management style?
7. How does one advance in the company?
